

Categories of personal information we collect

We collect the following categories of personal information¹ in connection with providing our services to you:

- Identifiers, such as your real name, athlete ID, Internet Protocol address, email address, and other similar identifiers.
- Personal information categories² including name, physical characteristics, and payment information, such as your credit card number.
- Characteristics of protected classifications,³ such as your gender.
- Commercial information, such as the record of purchase of your Summit membership.
- Biometric information, such as your exercise data.
- Internet or other electronic network activity information, such as session logs.
- Geolocation data, such as the physical location of your recorded activity.
- Electronic, visual, or similar information, such as photos.
- Inferences drawn from any of the above information to create a profile reflecting your preferences, characteristics, behavior, abilities, and aptitudes, such as [Relative Effort](#).

¹ As defined by the California Consumer Privacy Act.

² As defined by Section 1798.80(e) of the California Customer Records statute.

³ As defined by California or United States law.
